Sir,

Subject - Appointment of a surgical cooly who will also be the watchman of the newly constructed Dispensary in Chamundipuram

---

I have the honour to state that the Municipal Dispensary in Chamundi Puram was hitherto located in a rented building This is now shifted to a new building constructed by the Municipality at the tail end of Ramanuja Road, out of the donation of one Sri Rajasekhar in memory of his mother (the wife of late Sri Narasimha Naik Retired Amildar) As this is a solitary building in the plot, the sub Assistant in charge of the dispensary reported that the appointment of another hand was necessary to work as Surgecal cooly and also keep a watch over the building in the interest of the safety of the building The Health Committee before whom the subject was placed on 16th November 48 resolved that a surgical cooly may be appointed who should also work as a watchman and that a hand may be ~~entrusted~~ entertained immediately in anticipation of approval of Council and the Government, in the interest of the safety and the security of the building and the equipments etc , The Council have duly approved of this recommendation of the Health Committee at their meeting held on 6th December 48

In enclosing herewith a copy of the resolution of the Health Committee and Council at their meeting held on 16-11-48 and 6th December 48 relating to the above I request that orders may be obtained for the above appointment with effect from 18-11-48 from which date the surgical cooly is reported to have been appointed by the Sub-Assistant Surgeon in charge of the Dispensary

In this connection I have to state that the minium pay of Surgical coolies in all Local Fund Dispensaries is fixed at 18-½-22 all over the State and therefore request that the same scale may be fixed in respect of this post also

Yours faithfully,

O. Ahlawat 14/12

President
